

The Comprehensive Community Plan

Part 1 of 2

Reason for new process

- ▶ Uniform and standardize procedure i.e. mandatory use of agency specific documents (specific CCP form and the Quarterly Reports)
- ▶ Less burdensome i.e. submission at specific time of the year
- ▶ Simple Procedure: quick, less descriptive and avoid redundancy

CCP Components

LCC Vision Statement

- A one-sentence statement describing the clear and inspirational long-term desired change resulting from an organization or program's work.
- The best visions are **inspirational, clear, memorable, and concise**.
- **Example: Every person has the opportunity to achieve his/her fullest potential and participate in and contribute to all aspects of life.**

LCC Mission Statement

- It is a statement that describes the reason why your organization exists.
- An organization's mission statement should clearly communicate what it is that you do.
- **Example: _____ works to enhance the dignity and quality of life of individuals and families by strengthening communities, eliminating barriers to opportunity, and helping people in need reach their full potential.**

Membership List:

- ▶ Diversity within local community
- ▶ Community dynamics
- ▶ Adolescents and youth participation and
- ▶ Representation from various sectors i.e. health care, school and law enforcement.

Community Needs Assessment

- ▶ It is important because it will tell your community's readiness to implement prevention, treatment, and justice-related programs to address substance use and misuse, and provides an overview of risk and protective factors.
- ▶ **Community Profile:**
 - Useful way of developing an understanding of the people and key stakeholders in a geographical area or a specific community of interest
 - Enables Behavioral Health Division staff at ICJI to assist coordinating councils in the development of a community engagement plan
 - Facilitates coordination among key stake holders within community.

Community Risk and Protective Factors:

- ▶ Helps to develop initiatives required in specific area of concern (focus on prevention)
- ▶ Highlights the area for improvement (focus on benefits)
- ▶ Increase awareness about the problems. (educate people about it/increase public's knowledge about issues, community is concerned about)
